### Community Involvement

When you bank here, you are part of something bigger. We're personally involved in the betterment of this community, from monetary contributions and sponsorships to countless volunteer hours by our employees.

Through the Newburyport Bank Charitable Foundation, we provide grants to local nonprofit organizations. In addition, the bank has contributed over \$4 million (\$611,000 in 2020) to support community causes. Our team generously donates time, money, talent and energy through The Spirit of Giving. We lead with purpose and serve with compassion. It's how we help neighbors and businesses navigate life's journey well.
