

Nonprofit Banking

With its rich history as a community bank, the mission of Newburyport Bank is to be strong, independent, community partner. We value our community partnerships which allow us to build strong communities together. From animal welfare organizations to veteran organizations, and everything in between, Newburyport Bank's Nonprofit Banking team has you covered. Our collaborative approach begins with understanding your organization and recommending products and services that best meet your banking needs so you can worry less about banking and focus more on the mission of your organization.

Banking Products:

- Nonprofit Checking Accounts
- Nonprofit Money Market Accounts
- Nonprofit Savings accounts
- Certificates of Deposit

Cash Management Products:

- ACH Transactions
- ACH Filters/Blocks
- Wire Transfer Transactions
- Online Banking
- Positive Pay
- Remote Deposit Capture

Lending Services:

Newburyport Bank's team of commercial lenders has a combined total of over 75 years of experience in both community banks and large regional banks. As a community bank, we listen to our customers and understand the challenges they face. Our team of lenders work and live in or near the communities they serve. We do our best to do what's best for our customers and our communities.
